O. God, we pray for Thy church, which is set today amid the perpendicular of a changing order, and face to face with a great new task. We remember we love the nurture she gave to our spiritual life in its infancy, the tasks she set for our growing strength, the influence of the devoted hearts she gathers, the steadfast power for growing many to start at 16:15, to be old Rally day tomorrow, the given by the scholars of the Sunday school. When a woman is almost distracted from overwork, her home is in disorder, crying children, and on top of all is suffering from backache, bearing down pains, or some other form of feminine ills, then she should remember that hundreds of women in just her condition have been restored to health and regained their youthful strength by taking Lydia E. Pinkham's Vegetable Compound and not rest until she has given it a fair trial.

Proof that it Restored the Health of These Two Women

Cairo, Ill.—" Some time ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or I would fall on the floor in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helpedamy sister so I began taking it. I have never felt better than I have since then and I keep house and am able to do all my work. The Vegetable Compound is certainly one grand medicine."-Mrs. J. R. MATTHEWS, 3311 Sycamore Street,

Chattanooga, Tenn.—"I used Lydia Pinkham's Vegetable Compound before my baby came when I could no longer keep up. It strengthened my back and relieved me of the ill effect which so often develops at such times. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever 'and to lie down during the day and seldom had dizzy, fainting spells. I am now well and strong, can do ail my housework with perfect ease and it is a comfort to me to be able to say to other suffering women 'take Lydia E. Pinkham's medicine and be strong. I will be glad to have you use my name if it will be the means of helping any one." - Mrs. R. A. FAIRBURN, 606 Orchard Knob Ave, Chattanooga, Tenn.
